

Spokesparent Questionnaire

Because parents are our best resource in explaining the benefit of Healthy Families America, [organization] is creating a database of parent participants willing to share their thoughts.

Promotional opportunities may include newspaper, radio and television interviews, or presentations to community groups. Any participation would always depend upon your level of comfort.

If you are interested in being included in this group of "spokesparents," please fill out the following questionnaire so that we may match you with appropriate promotional opportunities as they arrive. **Please note that we would never give your contact information out, but rather contact you with the information regarding whom to call to conduct the interview.** Thanks for your time!
