

Indiana

■ HFA Service Areas

Healthy Families America (HFA) is a nationally recognized, evidence-based voluntary home visiting program that offers personalized in-home support and resources. HFA families build nurturing relationships with their children, champion their children's health and development, and cultivate a flourishing future for their family.

2025 Indiana HFA Data*

8,147
families

102,773
home visits

29
sites

92
counties
or equivalents

Investments in HFA strengthen families, create thriving communities, and save taxpayer dollars.

Positive impacts for HFA families

child safety
linkages & referrals
economic well-being
parent-child interaction
maternal & child health
child development & school readiness

"Our Family Support Specialist is amazing and has made being in this program very enjoyable. I am beyond grateful to have someone to talk to and trust with my family's best interests ... they always go above and beyond to make sure our experience is great. They are very kind, caring, compassionate, and understanding. I look forward to continue being in this program!"

-HFA Parent

For every dollar invested in Healthy Families, there is a savings of \$3.11 on future health and child welfare costs.
