Healthy Families America®

2025 State Profile

Georgia

HFA Service Areas

Healthy Families America (HFA) is a nationally recognized, evidence-based voluntary home visiting program that offers personalized in-home support and resources. HFA families build nurturing relationships with their children, champion their children's health and development, and cultivate a flourishing future for their family.

2025 Georgia HFA Data*

1,160 families

18,191 home visits

11 sites

37 counties or equivalents

Investments in HFA strengthen families, create thriving communities, and save taxpayer dollars.

Positive impacts for HFA families

child safety

linkages & referrals

economic well-being

parent-child interaction

maternal & child health

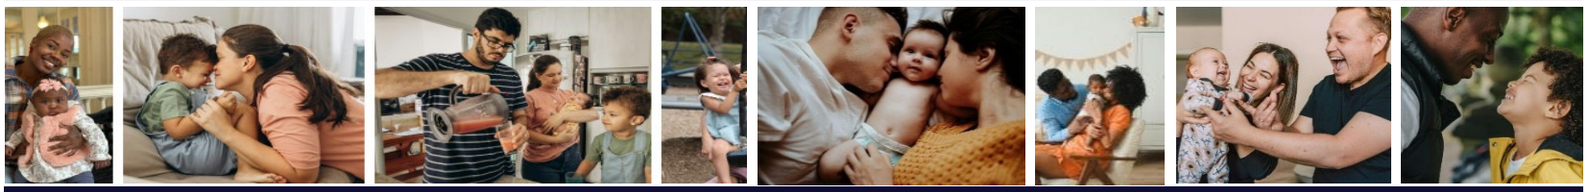

child development & school readiness

"Home visitors only come to help us grow as parents and human beings. What I learned is invaluable... we share a common interest that is my daughter and her development. This whole program gave me emotional and cognitive support, and material resources."

-HFA Parent

For every dollar invested in Healthy Families, there is a savings of $3.11 on future health and child welfare costs.
